

ISO 9001:2015

Lead Implementer

Five days course

The five-day course is packed with practical activities, group discussion and classroom learning to help you retain the knowledge to implement an effective management system. It includes an exam on the final day and upon successful completion you will be rewarded with the BSI ISO 9001 Lead Implementer qualification.

What will I learn?

- The history and development of ISO 9001 and what is a Quality Management System (QMS)
- Key concepts, principles and structure
- Identify the benefits specific to an organization in relation to implementing an effective QMS
- Conduct a baseline review of an organization's current position with regard to ISO 9001:2015

How will I benefit?

- Gain an in-depth knowledge of the requirements of 9001
- Develop the confidence to apply this knowledge
- Be able to perform a detailed gap analysis and project plan
- Be able to prove your knowledge via completion of the courses exam
- know what each clause requires for effective implementation

Who should attend?

Those who are responsible for the management and implementation of a ISO 9001:2015 management system

“Excellent course, all of my objectives were fulfilled. It completed the gaps in my knowledge for implementing a QMS.”

Denise Hoarty, Quality Control Manager, Unilever

Why make BSI your first choice for ISO 9001 training
