...making excellence a habit.™

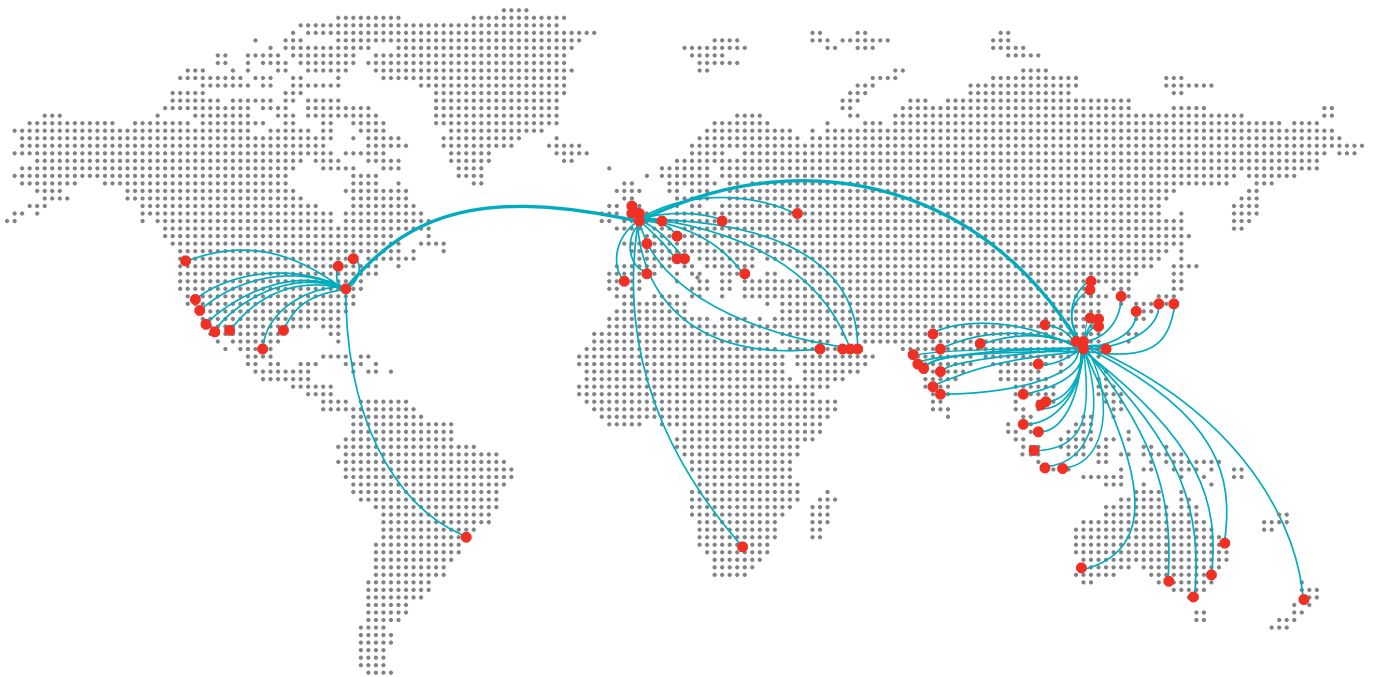

Why choose BSI?

Operating in over 190 countries, BSI's industry experts have developed an unrivalled portfolio of courses to support your entire organization.

Established in 1901, BSI was the world's first national standards body. We are the creator of the world's leading standards and offer a comprehensive suite of management systems and business improvement training. Our aim is to empower your people, at any level, to increase productivity and enhance business performance.

We'll work in partnership with you to identify your training needs and deliver a programme to meet them.

The BSI Training Academy can deliver high-quality training solutions to your whole organization, globally.

“We want to train with someone who can really be on it, identify the gaps, and help us fill them. Gaps in our standards are vulnerabilities in our business. We wanted a partner who is robust.”

(BSI client, India)

Why choose an enterprise training solution?

An enterprise-wide training solution can help with a number of challenges including:

- **Managing compliance** – for new, existing and transitioning standards, or permits
- **Managing talent** – development programmes
- **Maintaining the skills base** – continual training to manage personnel changes
- **Demonstrate continual improvement** – training programme aligned to strategy
- **Managing change** – new leadership, changing structures, strengthening or changing culture, acquisitions and mergers, right-sizing, managing growth
- **Embedding values** – culture, soft skills, communications and alignment
- **Improving best practice** – reducing costs and improving the working environment
- **Improving efficiency and reducing waste** – increasing productivity and performance
- **Organizational resilience** – business continuity, disaster recovery and incident management

At the BSI Training Academy we will create a continual improvement training programme that is aligned to your strategy.

"I choose BSI training over anyone else because of the breadth and adaptability of their training offer. Our business is changeable and agile, and their training approach is too."

(BSI client, UK)

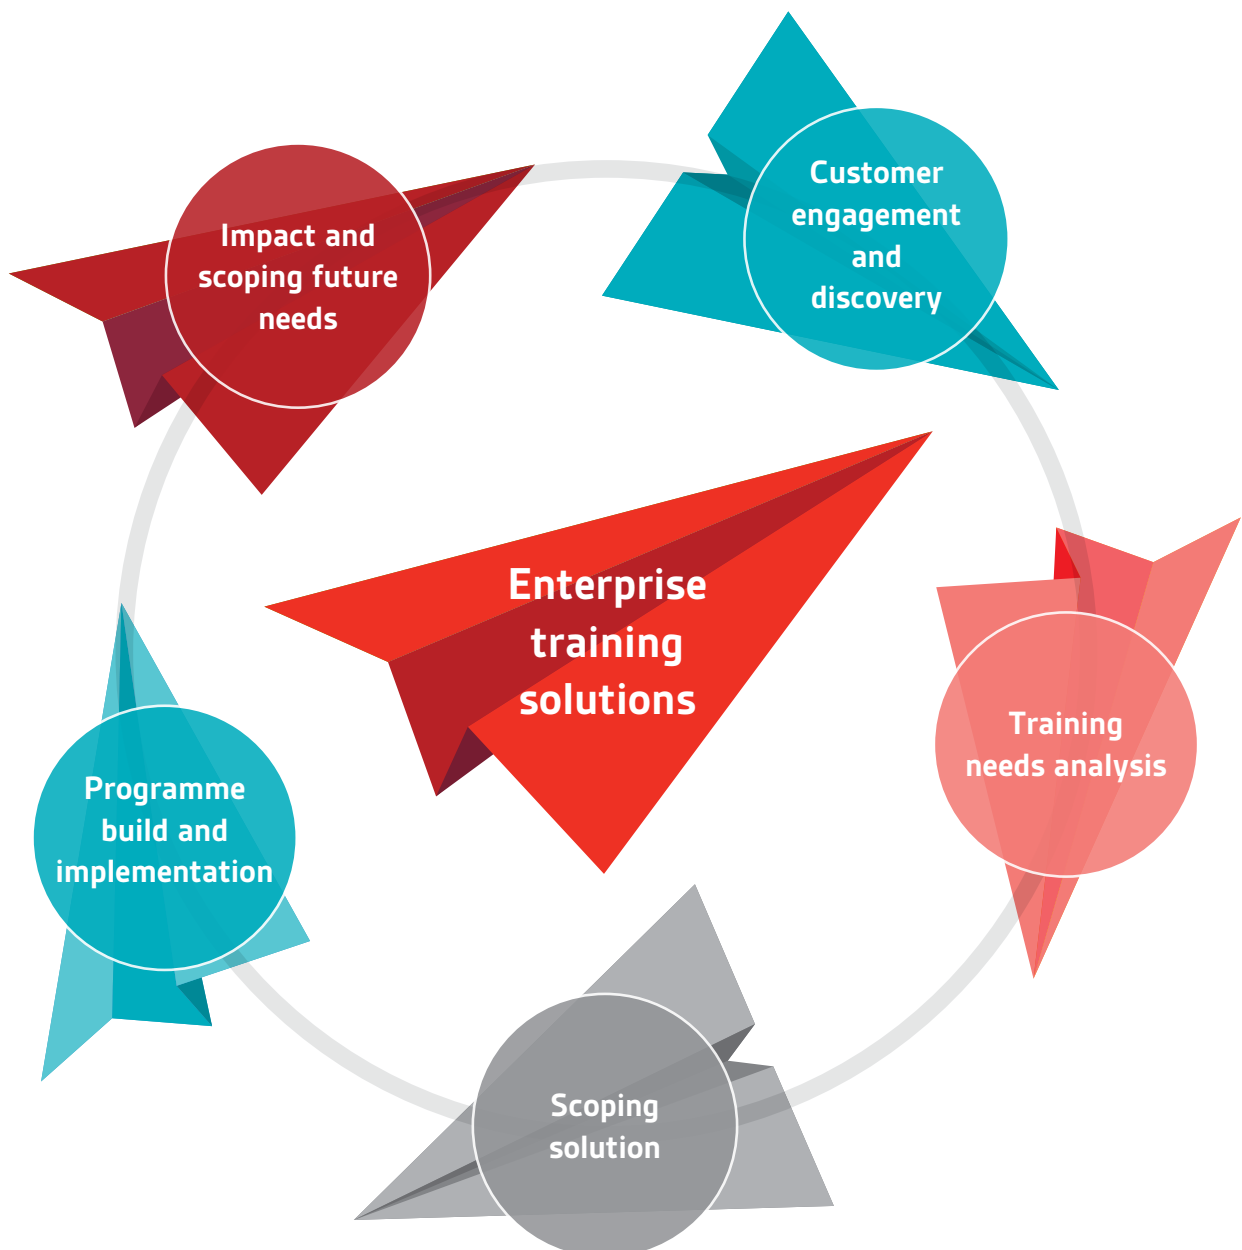

BSI's solution?

We will partner with you to:

- Identify your training needs to meet your organizational objectives
- Deliver your training however it works best for you – tutor-led training face-to-face or in virtual classrooms, or e-learning modules

We'll give you:

- A dedicated team who will work to understand you, your organization and your needs
- Access to experts who know how best to support individual learning journeys

What makes BSI different?

- Our partnership approach means we look at your needs and help you identify how to solve them
- BSI is a global leader shaping the world of standards for many years. Our experts know standards inside out, so you benefit from our expertise when you train with us
- Our excellent tutors are regularly rated over nine out of ten by our delegates
- We have been awarded the prestigious Royal Charter status since 1929. It sets out what we do and why we do it – allowing us to be transparent about our purpose

“I find exceptional value in the BSI people who help me. I value their advice and proactivity. I value the relationship of those who run the account.”

(BSI client, Netherlands)
