Senior Management Briefing ISO 44001:2017 training course

Essential information about the course

Level **1C**

ISO 44001 Collaborative Relationship Management makes good business sense. Make it your business to deliver the benefits of collaborative working and lead excellent partnerships in your organization.

As a leader, your commitment and support is crucial to the success of your organization's Collaborative Business Relationship. This executive session highlights the benefits of effective ISO 44001:2017 management systems and introduces the key requirements of the standard. This session will show you how to develop action plans for implementing key leadership activities.

This briefing will highlight the critical role of the executive team in establishing and supporting collaborative relationships and enable you to better understand both your organization's obligations and your personal responsibilities.

Your learning is based around industry best practice outlined in the standard, where the course will be led by a BSI expert tutor. Find out how to challenge and innovate to get the best out of partnerships and deliver real benefits. An ISO 44001 approach can help your company achieve greater efficiency by sharing skills and resources whilst reducing cost and risk.
